Dedication

School business is caried via telephone.

It is because of Mr. Long's many services to the students and the school that we are honored in dedicating this yearbook to him. Mr. Long is never too busy for the problems of the students. He is frequently seen in the halls looking after the school. We are proud to have an administrator of such high quality for our supervising principal.

Mr. Long engages the aid of our secretaries.

MR. WILLIAM LONG

Administration

Our School's Leaders

WILLIAM LONG

SUPERVISING PRINCIPAL

In his third year as supervising principal Mr. William Long has shown himself interested in our school and its problems. Mr. Long is always busy, but never too busy for the problems of S.H.S.'s students.

From the University of Pennsylvania he received both A.B. and M.S. degrees.

PRINCIPAL

Mr. Ralph Bortner, principal, has been at Susquehannock since the school was founded. He is well-known for his friendly smile to all.

Gettysburg College gave Mr. Bortner his B.S. and M.S. degrees.

RALPH BORTNER

CALVIN STOTT

VICE-PRINCIPAL

Mr. Stott, vice-principal of our school, has many duties. Among these are Audio-Visual Aids, discipline, and schedules. He also is the school's attendance officer.

He received his B.S. from Millersville State College and his M.Ed. from Western Maryland College.

Each of the six districts of Southern Joint School System sends five men to the school board. These men share the responsibility of making the right decisions to benefit all those associated with school life and activities.

The board's activities include such things as the tasks of setting up the budget and determining the bus routes for the six schools included in the district.

The board is under the capable leadership of Emory Patterson, President; Edward McCullough, Vice-President; Kenneth Mellinger, Treasurer; Dorothy Panzarella, Secretary.

Parent-Teachers Association

Topics pertaining to the school program are discussed.

Mr. Mutch, former supervising principal, gives a talk during a P.T.A. meeting.

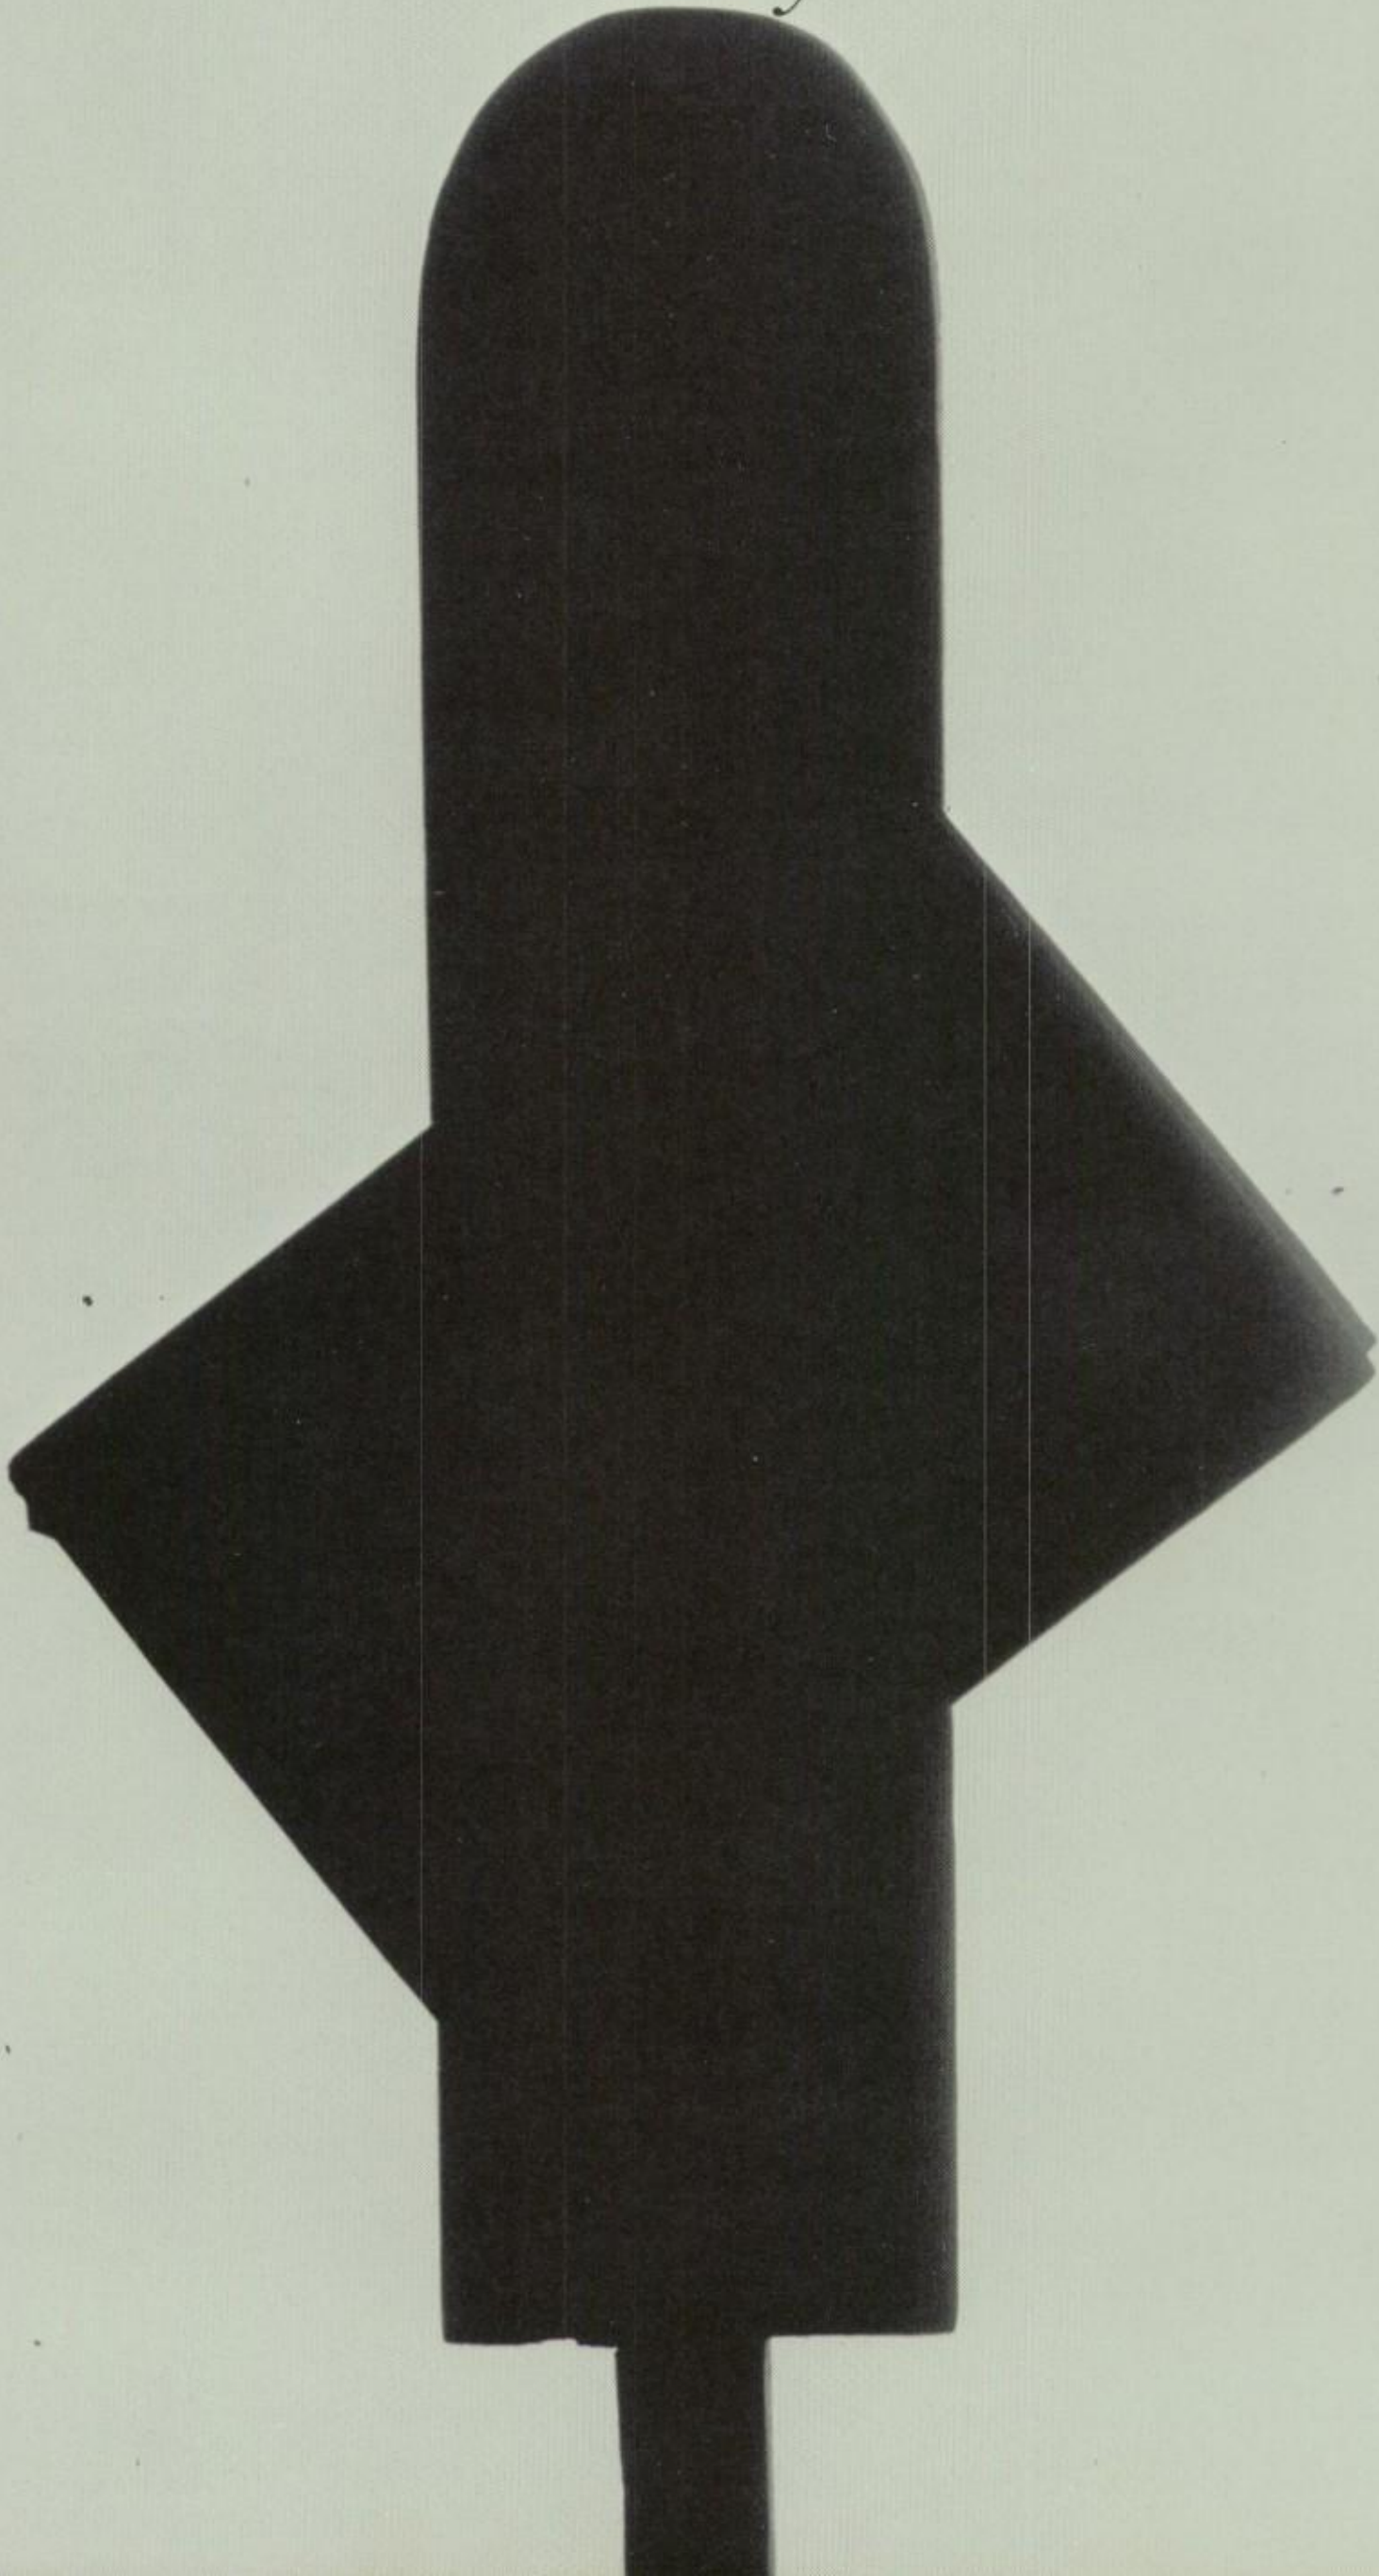

PARENT-TEACHERS ASSOCIATION

Parent-Teachers Association of Susquehannock is an active group in school affairs. The meetings are held the fourth Monday of every month. The P.T.A. this year as one of their projects is sponsoring an Oral Sabin Vaccine Program for the benefit of the whole area.

Parents express interest in school activities and their children's welfare by attending P.T.A. meetings.

MATHEMATICS

The study of mathematics is an essential part of the study of all students. It is a subject which promotes basic understanding and logic.

A student begins with a study of basic math in junior high and can then go on to either business math or start his way through higher mathematics starting with Algebra I.

Don't say a word about that pawn ticket!

Is Lorelei really a gold digger?

They're the envy of all Little Rock. Just imagine, a trip to Europe.

"Gentlemen Prefer Blondes" is a comedy which takes place in the Roaring 20's. It tells the story of two girls who went on a trip to Europe and of the riotous adventures they had. The play was presented on November 30 and December 1, 1962.

You're the apple of my eye, the sugar in my tea.

Even if you are a bum, I think you're the best novelist in the world.
